Alexandria, VA 22313-1450

Sir:

**NOTICE OF POSSIBLE PTO ERROR IN THE DETERMINATION OF PATENT TERM
ADJUSTMENT AND REQUEST FOR REVIEW OF CALCULATION**

As required by 65 FED. REG. 56387 (September 18, 2000), Applicants notify the Patent and Trademark Office (PTO) of a possible error in the patent term adjustment. Applicants confirm receipt of the Notice of Determination of Patent Term Adjustment dated July 16, 2009.

The Notice indicates that the PTO has determined that the patent term adjustment period for this application is 905 days. Applicants respectfully request that the PTO clarify how it arrived at this adjustment period. Applicants believe that, as of the mailing date of the Notice of Allowance, there should have been a 72 day deduction of patent term adjustment for the Information Disclosure Statement filed on February 11, 2009, and a 42 day deduction of patent term adjustment for the Information Disclosure

Statement filed on July 1, 2009. The PTO's calculation does not appear to account for these deductions.

Applicants note that the current PTO calculation does not account for the period of patent term extension under 35 U.S.C. § 154(b)(1)(B), which begins three years after filing the application. Under *Wyeth v. Dudas*, Applicants are entitled to additional patent term based on 35 U.S.C. § 154(b)(1)(B). Applicants reserve the right to apply for additional patent term based on 35 U.S.C. § 154(b)(1)(B), pending the PTO's recalculation of the patent term upon issuance of this application.

Please charge any necessary fees required to enter this paper to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
